

2015 Scholar – Tamera Satchell

Tamera was co-valedictorian of the 2015 graduating class from McKenzie High School in Blue River, Oregon.

Tamera will be attending Oregon State University in the fall of 2015.

Tamera's goal is to become a Computer Programmer and obtain a Master's Degree in Computer Programming at Oregon State University.

OCTOBER 9, 2015 Scholar Update:

Our 2015 scholarship recipient is settling in at Oregon State University and reports "enjoying almost all" of her coursework. When not busy with her studies, Tamera is working at Bing's, a food establishment on campus.

We continue to send our best wishes to Tamera and also send our thanks for her expertise she provided during the birthing of the Vida McKenzie Community Center's website.
