VIDA MCKENZIE COMMUNITY CENTER

We Need You!!!

Help Shape the Future of Vida McKenzie Community Center

The Vida McKenzie Community Center is YOUR community center–and we need community members who are willing to step forward and help shape its future!

After many years of serving on the Board of Directors, I will be stepping down off the Board at the end of this year. While I am excited to see what the next chapter brings, I also know that the success of our Community Center depends on having dedicated volunteers willing to lend their time, ideas, talents, and energy. I love being a part of this community center and thank you all for your support.

We are looking for new Board members!

You don't have to be an expert. You don't have to have previous Board experience. What we need are people who care about our community, enjoy working with others, have ideas, and want to help make a difference.

Being a Board member is an opportunity to:

- ❤️ Give back to your community
- 🤝 Meet and work with wonderful people
- 💡 Bring your ideas and talents to the table
- 🎉 Help plan and support community events and programs
- 🏡 Help guide the future of the Vida McKenzie Community Center
- 🌟 Make a lasting difference in our community

iF YOU ARE INTERESTED IN BEING ON THE BOARD OF DIRECTORS, PLEASE COME TO OUR NEXT MEETING WHICH IS ON NOVEMBER 12TH AT 4:30 P.M AT THE CENTER.
THANK YOU ALL
TAMMY PELTON

BUSINESS MEMBER SPOTLIGHTS

IKE'S PIZZA

Ike's Pizza has been serving the Community for over 50yrs! I believe the success of the business is about the love to serve the customers the Best Pizza and Chicken they have ever eaten. That is why I purchased the business 34 years ago. It was the best pizza and chicken I had eaten. We use the original secret recipes to make the dough and sauce. All the ingredients are fresh. The loyal support of The local people keeps the restaurant open without them there would be no Ike's Pizza. It is an honor for all my employees and myself to serve this Strong McKenzie Community. We have all survived stronger. God Bless. Betty

TREES BEING CUT DOWN THIS MONTH

The Center will be cutting down 5 dying fir trees along the South hillside next to the propane tank and the restrooms. Lane Electric and Lane County recommended that they be cut down before any winter storms cause them to break or fall.
The funds to do this was supplied by 2 different grants.
The work will be done by Brinks during the Week of Nov. 16th.

HERE TO HELP YOU

I'm Nadine Scott and I would like to help you sell your house or purchase your next home. My vast regional knowledge and years of experience have allowed me to provide honest and dependable service time and time again. I have a wide range of expertise, working with a variety of price points and high-end homes. I prioritize being available to my clients and providing a timely response. I know rural properties well. I am educated about septic systems, wells, riparian zones, flood zones, CCR's, HOA's and zoning regulations.

I am licensed to sell or buy any property in Oregon. I have successfully closed thousands of sales in my 21 years as a real estate broker. I have been one of Windermere's Top Producers since 2010. I was president of the McKenzie Chamber of Commerce for 12 years, Correspondence Secretary of the McKenzie ClearWater Coalition and Secretary/Spokesperson for Oregon Citizens for Energy Security and Save Leaburg Lake.

As a 50-year McKenzie Valley resident and an engaged community activist, I want to help you discover this amazing place.

Call Me. You will get Me, not an Assistant. Move to a Place that Moves You!
